Team HAPPY FEET

SAN ANTONIO AGUAS CALIENTES

After leaving training camp mid January, we were immediately welcomed into an amazing host home and partnered with a ministry in the community, HOPE & Worship Room. Our weekly schedule consists of teaching English to kids, VBS, music and sports academy, mother's bible study and house visits. Throughout the week, we also spend time in the prayer room, interceding for the nations, attending bible studies and inviting the community to worship night every Thursday. We love what God has been doing!

PRAYER MOUNTAIN

(F)ully (R)eliant (O)n (G)od

Being placed on Prayer Mountain has been a struggle for some of the racers, while others have enjoyed the camping lifestyle! The Lord has been moving and redirecting our focus/vision to simply... rely on Him. While we learn to live in a new environment and do ministry with kids (teaching english and sports) from local villages such as Chimachoy or building homes for families in need in Patzun, we also get the opportunity to be in community with each other on the weekends in Antigua. We all had expectations of pouring into communities here but the Lord had a different plan, placing us into a season of preparation to begin our World Race journey. We have the privilege to be poured into by AMAZING teams of Guatemalans including Dar Para Dar and Hope & Worship Room.

“How beautiful upon the mountains are the feet of him who bring good news, who publishes peace, who brings good news of happiness, who publishes salvation, who says to Zion, “Your God reigns.””

ISAIAH 52:7
